Demonstration material

This PDF stands in for a real reading pack.

It contains no clinical guidance. In the real portal, the instructor uploads approved reading material for each module, and participants read it here before marking it as complete.

Try the reader

- Use the arrows to move between pages.
- Use + and − to zoom.
- Use Find to search for a word that appears only on page 2: the word for working well as a team.

Page 2

Search found this page.

Medicine and dentistry respond better together. This sentence exists only to show that teamwork can be found with the search box.

Return to the module and select “Mark as complete” to update progress.
